

## **REQUEST FOR EXPRESSIONS OF INTEREST (REOI)**

COUNTRY: FEDERAL REPUBLIC OF SOMALIA (FGS)  
NAME OF PROJECT: SPECIALI FINANCING FACILITY FOR LOCAL DEVELOPMENT (SFF-LD)  
ASSIGNMENT TITLE: PROJECT SITE MONITORING ENGINEER  
REFERENCE NO.: SO-MOF-01-UN-CS-INDV  
PLACE OF ASSIGNMENT: BAIDOA, SOUTHWEST STATE OF SOMALIA

### **1. Background**

In Baidao, South West State, the key priorities that were undertaken by the UN in 2011 has been to build capacity with the security of judicial personnel and establish court houses, dealing with the death penalty and executions, encouraging local mechanisms for dispute resolution and implementing a rehabilitation pilot project for convicted former AS imprisoned and other convicted criminals.

The concept of the pilot project in Baidao prison has started in March 2016 and aimed to develop and test a rehabilitation program (or convicted AS prisoners other convicted criminals. The objective was to target the underlying causes of extremism through religious discussions, civic education, and psychosocial support. The project was developed based on the principle that positive faintly influence is key to successful reintegration and resettlement. The project has gained strong support from the community and prison management and will be funded during 2018. However, it is known that the Somali Custodial Service has not received due attention within the broader scope of security sector reforms. Prisons and detention centers in the region are in poor condition with lack of infrastructure, sanitation, lack of health care, inadequate food and water supplies. The system depends to a large extent on faintly members and relief agencies for supplies.

The Government of Somalia has received Swedish Funds for phase I construction of Baidao Prison through United Nations Multi-Partner Trust Fund (MPTF) to be implemented through the country systems under the National Window of Somalia MPTF. The funds have been allocated to the Joint Justice Programme for the first phase Construction of Baidao Prison, in Baidao District, Bay Region-Southwest State of Somalia.

Hence, the Ministry of Finance procured and contracted with a construction company to undertake construction works and as such seek to hire a PROJECT SITE MONITORING ENGINEER to Monitor and Implement the Quality Assurance onsite construction works.
